

**HIGH POWER LED WASH WALL LIGHT**

**Dimensions Of Products**

**Specification**

- Housing materials: aluminum and high transmission toughened glass
- Life:About 50,000 hours
- Input Voltage: 24VDC
- Power:36W
- Body Temperature : -25°C~55°C
- Full Range of colors : Red, Green,Blue,Yellow,Cold White,Warm White,RGB
- Light weight:2.2kg
- Protective level:IP65
- signal:DMX512/1990

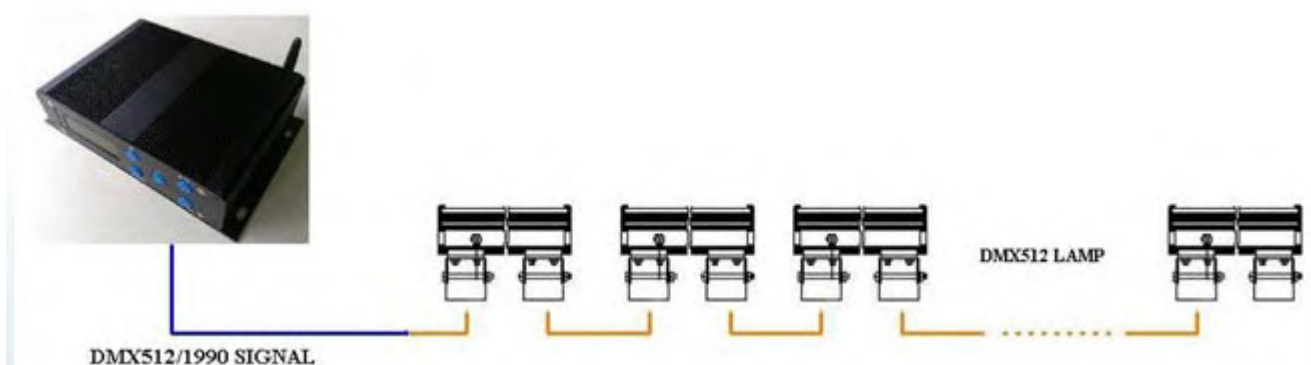

## Product useful

construction wall , bridge, decoration illumination

## Controller

### DMX512 Controller
